

# ACTIVE SPELLING

## HOW TO PLAY:

1. Print out page 2 (2 copies ensure there are enough of each letter).
2. Cut out the individual letter squares.
3. Create a start line and an area where you will scatter out the individual letters.
4. The child starts at the start line you give them a word to spell and a movement.
5. One letter at a time they must move the way you've said to find the letter and bring it back.
6. They stop once they have completed the word.
7. Then repeat for as many words as you want, changing the way they need to move.

Look on page 3 for a list of word suitable for the key stage your child is in.
