

As your children progress through The Meadows Primary School, we will be teaching them to form number symbols correctly. We use these number rhymes to help us...

Around and round and round we go,
When we get home we have a zero.

Start at the top and down we run,
That's the way we make a one.

Around and back on a railroad track
Two, two, two

Around the tree and around the tree,
That's the way we make a three.

Down and over, down some more
That's the way we make a four.

Down and around then a flag on high
That's the way we make a five.

Down we go and make a loop,
Number six makes a hoop.

Across the sky and down from heaven,
That's the way we make a seven.

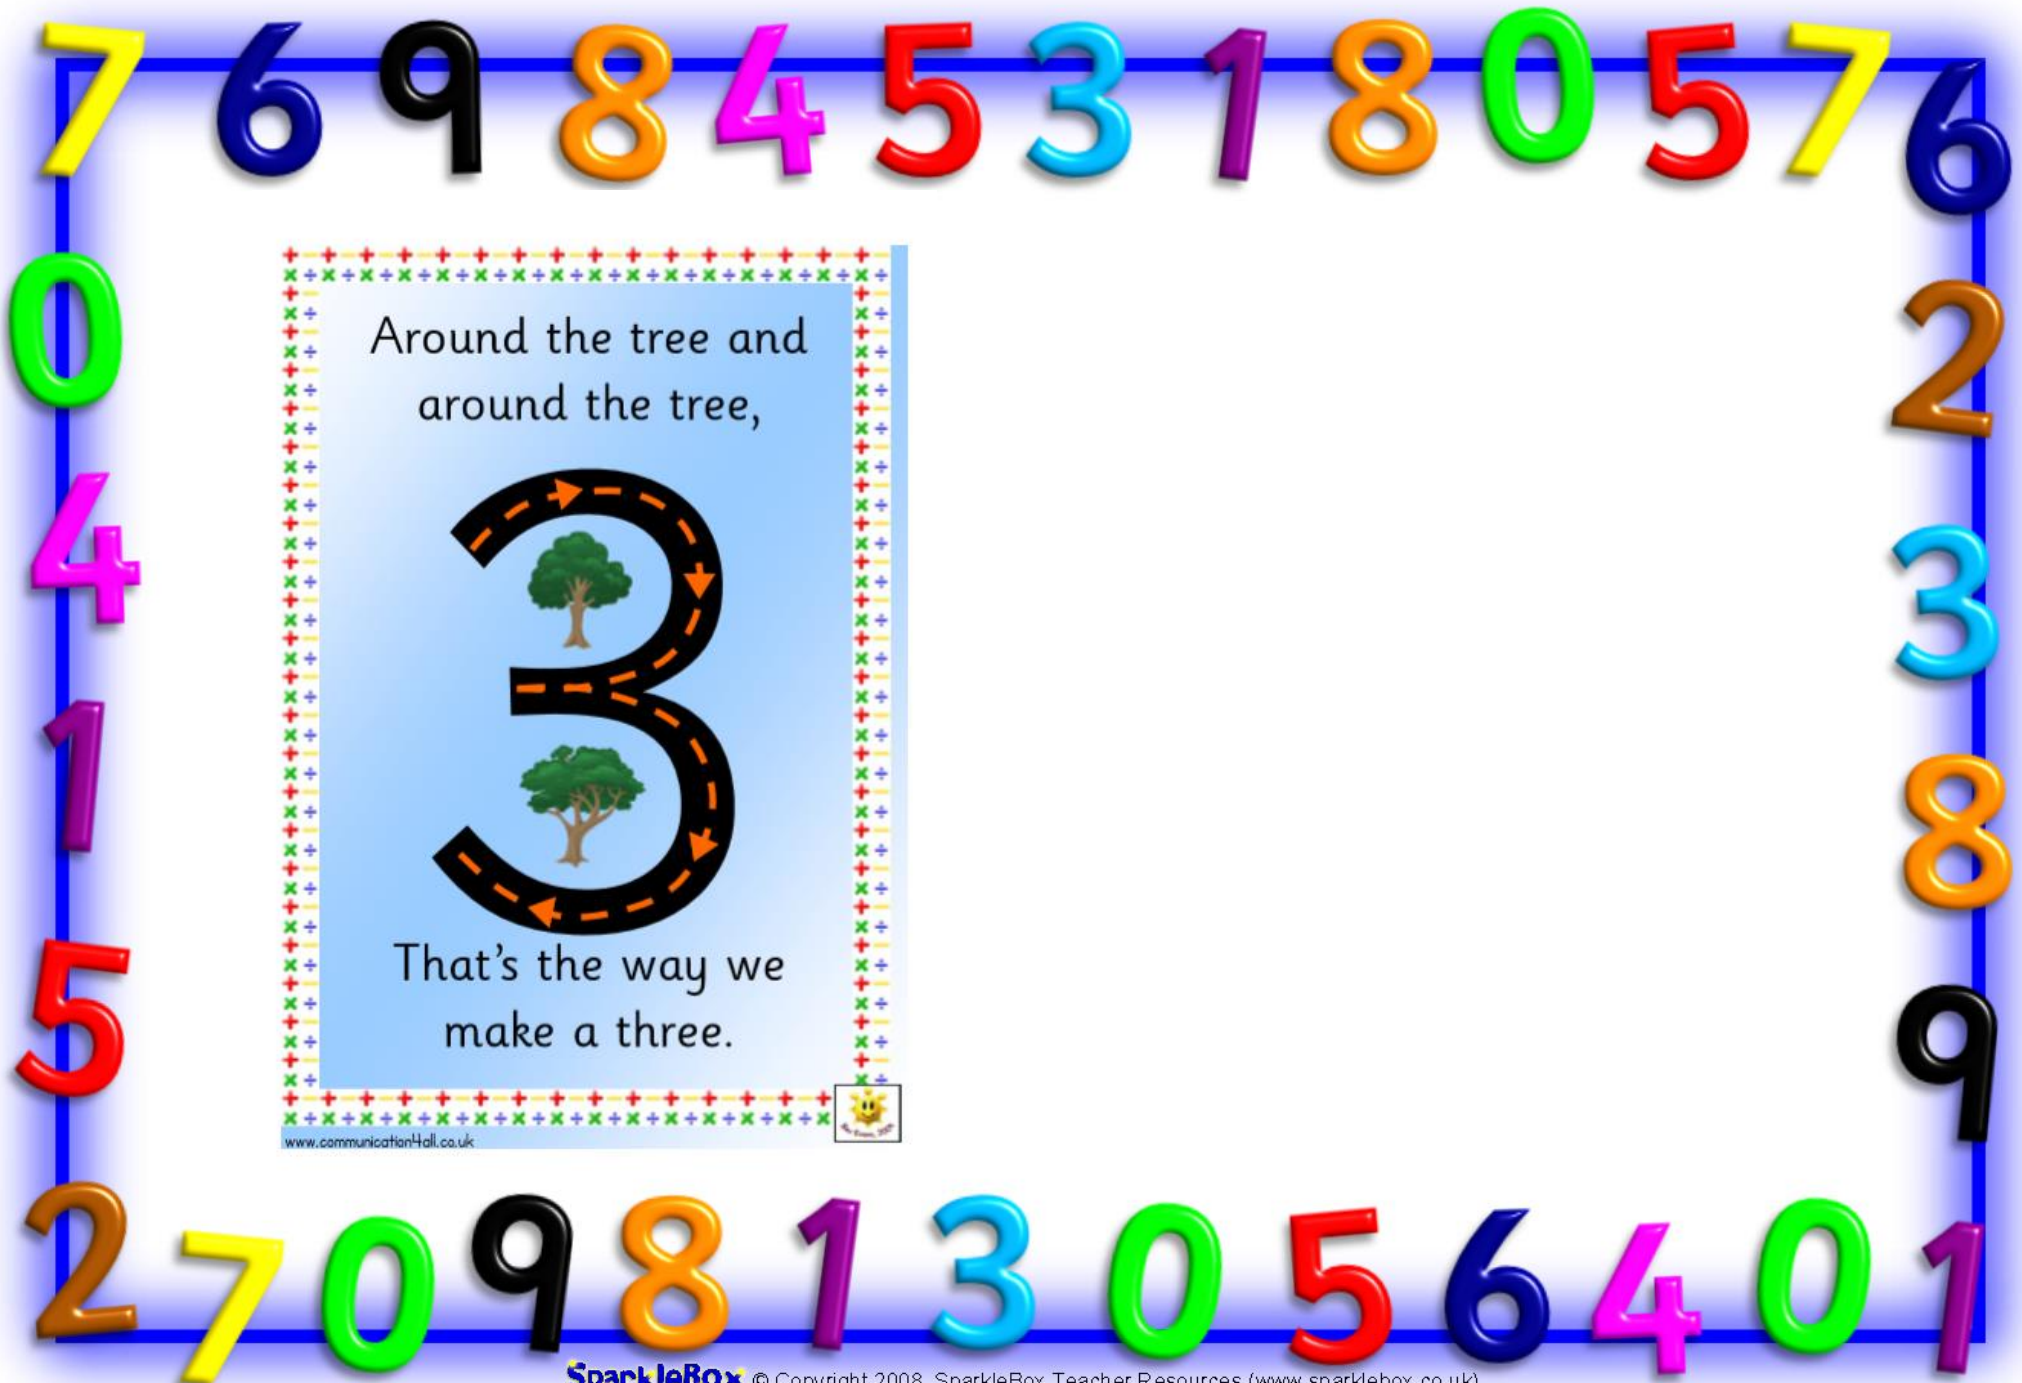

Make an 's' and do not wait
When it's joined up you have an eight.

Make a loop and then a line,
That's the way we make a nine.

Around the tree and
around the tree,

That's the way we
make a three.
